cocktail lounge

vip booth & party packages

Located on the popular strip of Brunswick Street Mall, Fortitude Valley, Retro's, as the name suggests, is all about bringing back the good times by playing nothing but the best ol' skool hits from the 80s, 90s and noughties!

The iconic venue features signature Fish Bowl Cocktails, quirky led light quotes, disco mirror balls and a huge illuminated dance floor to give guests a nostalgic nightclub experience in the heart of Surfers Paradise like no other! The cocktail menu oozes loads of retro flavour as well, featuring all your ol' skool favourites from Pina Coladas, mojitos and margaritas to espresso martinis and long island iced teas. Premium Bottle service with Grey Goose Vodka and VIP booths is available so you can truly party like a 90s rockstar!

So, without further ado, round up your mates, put on your dancing shoes and get ready to enjoy a fish bowl and bust a move until the sun comes up!
